This side-scrolling platformer features you rolling, jumping, and bouncing through a continuous checkpoint adventure to stop evil minions turning the world square. Control momentum, avoid obstacles, and solve puzzles! Red Ball 4 is a platformer with gentle brain-teasing puzzles for an additional challenge. Controlling the ball's momentum takes sharp judgment and accuracy, and you have to master it to navigate various obstacles and destroy the evil squares. As you go through the checkpoints, the obstacles, puzzles and enemies get tougher. Levels As you scroll deeper into the game, you will encounter new environments, from forests and jungles to secret labs with excellent music to match. You have to fight epic bosses and dodge deadly traps from pools of water for lasers and bombs. In total there are 75 levels in the Red Ball adventure!
